## FLOTILLA

NEWSLETTER OF THE LCT FLOTILLAS OF WORLD WAR II  
HONORING THE MEN WHO SERVED ON THE LANDING CRAFT OF THE U.S. AMPHIBIOUS FORCES

Volume 13, No. 1 March 2012

An unidentified color photo showing sailors and soldiers on a Mk-6 LCT probably somewhere in England around the time of the Normandy invasion. The first sailor sitting with his back to the camera is V. Stampler of Cincinnati, Ohio. Note the jeeps and gear loaded on the tank deck. What looks like an umbrella at top left center is a 20mm gun with a canvas covering. Perhaps one of our readers may be able to shed more light on this rare color photograph.
