LCT SAILS AGAIN!

OUTER ISLAND CRUISE HIGHLIGHTS DULUTH REUNION

Our recent reunion was a huge success by any standard—even the weather cooperated for our cruise on the only known LCT still operating in the States. This years annual meeting was held in Duluth Minnesota June 5-8, with the LCT ride taking place on Lake Superior at Bayfield, Wisconsin.

Nearly seventy LCT vets attended this years reunion which also featured a ladies luncheon, a visit to the nearby Richard Bong Museum for their special World War II weekend and LCT scale models on display in the Hospitality Room. Our banquet speaker was Jay Chester who gave a presentation on the sunken Japanese fleet at Truk Lagoon.

This reunion was also unique in that we received media coverage from both the Duluth newspaper and a local TV station which covered our cruise on the *Outer Island*. Bud Farmer hosted this years reunion and with help from many volunteers, once again pulled off a successful “campaign”. For more reunion news and photos, go to page 6 . . .
